## Our First Newsletter

We recently celebrated our one year anniversary with a wonderful meeting on October 6, 2013. Our speaker was our Republican Committeewoman, Toni Anne Dashiell. Our hospitality committee provided a beautiful cake for the celebration.

**Our November meeting features Dr. Merrill Matthews who will be speaking on Obamacare-One month in-is there any way out? Plan to join us at the Coppel Fire Training Center at 3pm on November 3, 2013**

We hope you will visit our Facebook page and our website to keep up to date on our meeting dates and other activities.

# TFRW Biennial Convention 2013

Coppell Republican Women President Kit Whitehill, and Publicity Chair Michelle LaFountain attended the TFRW Convention in San Antonio from October 16 through October 19, 2013.

Every day was packed with opportunities to meet candidates, listen to speeches from candidates for most state wide offices and meet Republican Women from all over Texas.

Among the highlights of the convention were the first Kay

Bailey Hutchison Leadership award which the Senator was proud to present to Kay Granger, US Representative. Republican Committeewoman Toni Anne Dashiell presented the 10 Outstanding Women awards.

Delegates were treated to stirring keynote addresses by Lt. Gov. David Dewhurst, Senator John Cornyn and Senator Ted Cruz, Agriculture Commissioner Todd Staples and Texas Comptroller Susan Combs.

The San Antonio Convention committee provided an outstanding venue, many wonderful meals, booths for delegates to meet candidates and shop for convention souvenirs and a fabulous Fiesta happy hour with special guest New Mexico Governor Susana Martinez.

**Governor Martinez gave an inspiring speech about her background and how she discovered that she was, in fact, a Republican, even though she was raised a Democrat.**

*The Coppell Republican Women's Club is an energetic, dedicated and dynamic organization whose purpose is to educate and train women so we can make a difference in our community, state and ultimately our country.*

9. Authorizes the State Commission on Judicial Conduct to use disciplinary actions, beyond just censure or removal, against judges after a hearing.

City of Coppell Special Election

Proposition No. 1

To reauthorize, reimpose, extend and adopt a sales and use tax at the rate of one-half of one percent, as approved by the electorate on May 5, 1996, and as authorized by Chapter 505, Type B Corporations, Texas Local Government Code, to undertake projects for youth and adult amateur athletics, entertainment and public gathering facilities and venues, exhibition and museum facilities, public park purposes and events and park and recreational facilities, open space improvements, hike and bike trails, parking facilities and greenway and open space, including projects in support of the Coppell 2030 strategic vision adopted March 10, 2009, for the redevelopment of the Andrew Brown park system, expansion of the library building for Type B purposes, additional hike and bike trails, youth and adult athletic facilities and Life Safety Park and related facilities, related infrastructure for any such projects

described above and other related improvements that enhance any of the items described above, and the maintenance and operation expenses for any of the above described projects, with such sales and use tax to be imposed for a period of twenty-five (25) years.

**TFRW has voted to support Proposition 6. Water is in short supply. Over 70% of the state is still experiencing drought conditions. More than 1,000 people move to Texas every day and our population is expected to double by 2060 - but our water supply is actually expected to decrease by 10%.**

# Republican Party of Texas Platform Principles

The Republican philosophy is a true reflection of traditional Texas values. It is these values core Republican principles that will sustain Texas into the future and continue to make our State strong, prosperous and proud.

**We support:**

**STRONG FAMILIES**

Families intent on giving their children the hope of a better tomorrow, the promise of a safe and secure today, and an appreciation and respect of yesterday.

**PRINCIPLED, INNOVATIVE LEADERSHIP**

Principled leaders with an understanding of Texas’ heritage and a clear vision for Texas’ future. Leadership that is unwavering in the face of criticism, steadfast when confronted with adversity, and committed to building a better State.

**LIMITED GOVERNMENT**

A government that promotes policies to unlock individual potential and unleash economic growth. Government that does not try to be all things to all people.

**HONEST COMPASSION**

A society assisting those in need rather than a government trying to solve every problem by just throwing more money at it.

**OPPORTUNITY FOR ALL**

The opportunity to chart one’s own course, start a business, chase a dream, or build a life regardless of gender, race, or religion.

**QUALITY EDUCATION**

An educational system that prepares children for tomorrow’s workplace regardless of race, wealth or geographical location. Education is the bedrock of freedom and the gateway to opportunity.

**PERSONAL RESPONSIBILITY**

Individuals taking personal responsibility for their own actions and a criminal justice system based on this idea. With freedom comes responsibility.

**FREEDOM**

Freedom that is God given, affirmed by our Founding Fathers, articulated in the Declaration of Independence, and protected by the Constitution.

**RUGGED INDIVIDUALISM**

The entrepreneurial spirit of the individual that continues to solidify Texas as a world economic power.
