President's Pen

November 4 is rapidly approaching and YOUR help is needed. We can reclaim Dallas County if we get out the vote for our Republican candidates in every race ALL the way down the ballot. Unfortunately, there are many around us who don't know the candidates or that there is even a November election. CRW has a solution to this problem! Invite your friends, family and co-workers to our October 16 Meet and Greet where they will hear from the candidates, learn what they stand for, and have an opportunity to speak to them personally. Also please consider donating to a campaign, phone banking, or block walking. Phone banking is available every day (except Sunday) at the Victory Center and it is easy and fun. It is time to get involved! With your help, we can make a difference!

Why Voting the Entire Ballot is SO Important

In 2006, Dallas County-wide:

1. **There were 47 Republican candidates in contested races (District Attorney, County Judge, District Clerk, County Clerk, County Treasurer & 42 judges)**
2. **In part because 16,136 MORE Democrats voted Straight Ticket than Republicans, and**
3. **Because Republican voters have a greater tendency to vote for who they know near the top of the ballot and *leave the rest of the races blank,* and**
4. **Because approximately 38,000 Dallas County Republican voters *DID NOT VOTE* --**

ALL 47 REPUBLICAN CANDIDATES LOST!!!

5. **However, if everyone who voted for Republican U.S. Senate candidate Kay Bailey Hutchison near the top of the ballot had voted for Republicans to the bottom of the ballot, ALL 47 REPUBLICAN CANDIDATES WOULD HAVE WON! And with just two exceptions, they all would have won by more than 10,000 votes!!!**

In 2010, Dallas County-wide:

1. **There were 36 Republican candidates in contested races (District Attorney, County Judge, District Clerk, County Clerk, County Treasurer & 31 judges).**
2. **In part because 20,317 MORE Democrats voted Straight Ticket than Republicans, and**
3. **Again, lots of Republican voters left down-ballot races blank, and**
4. **A lot more Democrats were newly registered voters**

ALL 36 REPUBLICAN CANDIDATES LOST again!!!

LEAVING RACES BLANK DOWN THE BALLOT WILL ENSURE DEMOCRAT MAJORITIES AT THE COUNTY, STATE AND FEDERAL LEVELS!!!

We need Republican majorities at all levels of government, in part because local and state elected officials have tremendous influence on our day to day lives.

Americanism

"Patriotism means to stand by the country. It does not mean to stand by the president or any other public official, save exactly to the degree in which he himself stands by the country. It is patriotic to support him insofar as he efficiently serves the country. It is unpatriotic not to oppose him to the exact extent that by inefficiency or otherwise he fails in his duty to stand by the country. In either event, it is unpatriotic not to tell the truth, whether about the president or anyone else."
