Crisis of Character: A White House Secret Service Officer Discloses His Firsthand Experience with Hillary, Bill, and How They Operate
by Gary J. Byrne

In this runaway #1 New York Times bestseller, former secret service officer Gary Byrne, who was posted directly outside President Clinton's oval office, reveals what he observed of Hillary Clinton's character and the culture inside the White House while protecting the First Family in "Crisis of Character," the most anticipated book of the 2016 election.

In a presidential election year, the tendency of the media and the voters is to concentrate on the Presidential Election. There is more at stake than just the few names at the top of the ballot. In addition to the presidential candidates my sample ballot shows:

- US Representative District 24
- Texas Railroad Commissioner
- Three Texas Supreme Court Justices (places 3, 5, and 9)
- Three Court of Criminal Appeals Judges (places 2, 5, and 6)
- State Representative District 115
- Two 5th Court of Appeals Justices (places 4 and 7)
- Five District Judges races from various districts
- Three Criminal District Court Judges (Courts 2,3 and 4)
- Dallas County Sheriff
- County Tax Assessor-Collector

It is sometimes hard to choose and decide. We have a suggestion for you.

Have you seen Dinesh D'Souza's movie [‘Hillary's America: The Secret History of the Democratic Party’](#)?

It has been re-released and it is an eye opening look at the Democratic Party in America. Take your friends and family to see this movie before Election Day.

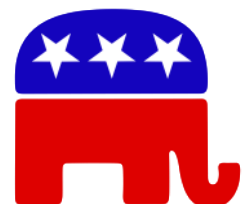

Dr. Carolyn Swain is interviewed by Dinesh in the Hillary's America movie. Visit her [web site](#) and [Facebook page](#) to learn more about her.

From high school dropout and teenage mother to highly accomplished university professor and public intellectual, Dr. Carol M. Swain is passionate about empowering others to confidently raise their voices in the public square.
