Join Us for Our September Meeting "Conservative Economics in a Turbulent Political Environment"

Dr. David Arnott, Professor of Management at Dallas Baptist University and accomplished keynote speaker, will be the featured guest of Coppell Republican Women on Thursday, September 5 at 7:00 p.m. at the Cozby Library. Dr. Arnott will share his expertise regarding "Conservative Economics in a Turbulent Political Environment."

Not only does Arnott teach and inspire DBU students, he also shares his knowledge of economics and corporate culture through professional speaking, writing and media appearances. He has spoken to audiences in over 55 countries, directed multiple business study trips abroad, and led more than 200 days of management seminars. His books include *Corporate Cults*, *Who MADE My Cheese*, and *The Leadership Quotient*. He has been quoted in such publications as *Fortune Magazine* and appeared on many television shows including the CBS hit, "48 Hours."

While currently Dr. Arnott focuses on leadership, strategy and international management research, he has focused time in the past on other areas such as tennis, marathons and the sports promotions industry. He and his wife Ginger board seven horses and their pet rooster on their 11 acres in Midlothian.

Coppell Republican Women welcomes anyone to attend this informative meeting on Thursday, September 5 at the Cozby Library & Community Commons, 177 N. Hartz Rd., Coppell. Social time begins at 6:30 p.m., prior to the general meeting and presentation at 7:00 p.m.
