

My Final President's Pen by Kit Whitehill

Friends,

It is time to say goodbye to 2020 - a year that tested us in many ways. We had to get creative, but our board never lost sight of our mission to train and educate our members; elect our Republican candidates, encourage women to run for office and serve in our community.

Even during a worldwide pandemic, we learned about Zoom and hosted informative speakers we could not have hosted at Face to Face meetings.

Our members block walked, made phone calls, and wrote 1,500 post cards for candidates. Our members participated in Strike Force events in Dallas and in Georgia.

Our 1st Vice President of Programs, Karyn Brownlee ran for House Representative, District 115. Although Karyn did not win, I am confident she will be involved during this legislative session and hopefully will run again in the future.

We presented scholarships to two deserving CHS graduates.

We continued assisting the Rotary Club with their flag distribution program and our Wreaths Across America ceremony was still held at Rolling Oaks

Cemetery.

It has been an honor and privilege to serve as the CRW President again for 2019 and 2020. Although, I held the title of President, it was the strength of our board members that got us through 2020. I want to thank each board member for the skills and experience they brought to the table and also introduce our amazing 2021-2022 board members.

Thank you 2019-2020 Board Members:
