THE PRESIDENT'S PEN

BY LORRAINE CARROLL

At the TFRW Leadership Day this past weekend a candidate said the way we win in 2022 is to **"Show Up, Stand Up, and Speak Up!"**. These are empowering words of action.

If we want to win in November and gain control of the House and Senate in D.C. - if we want to keep Texas RED, we must do our part to make it happen. We cannot rely on others to do the work for us.

Showing up to vote is the first step. But the question becomes "is there more I can do?" Of course the answer is always yes but "what am I willing to do to make it happen?" Each person must decide what they will do to protect our freedoms.

Show Up

- Educate yourself on who is running in both the primary elections and the general elections. Start by attending the February 3 meeting on Election Integrity. (Details for registering to attend are in this newsletter.)
- Hear the candidates speak and know where they stand on the issues. Attend the Candidate Forum for TX Senate 12 on February 21. Plus there are other forums in the Area Events section. (Details for registering to attend are in this newsletter.)

Stand Up

- Put a yard sign for a candidate(s) you support in your yard.
- Volunteer time to a candidate(s) you support:
 - Block walk (hanging packets of information on doors).
 - Help with phone banks.
 - Host a meet and greet for a local candidate(s).

Speak Up

- Answer questions from neighbors and friends.
- Correct the dialogue when you hear misinformation.
- Encourage others to vote to make their voice heard. Voter turnout is the key to success.

Let CRW be your source to **Show Up, Stand Up, and Speak Up!** during this election year.
